The 9th International Conference on Intelligent Manufacturing & Logistics Systems
IML2013 in Conjunction with ISMI2013
http://www.evolsoft.org/iml2013/
February 27th - March 2nd, 2013
Shanghai, China

Conference Chair:
Dr. Youfang Huang
Shanghai Maritime University, China

Conference Co-Chairs:
Dr. Mitsuo Gen
Fuzzy Logic Systems Institute, Japan
Dr. Kap Hwan Kim
Pusan National University, Korea
Dr. Voratas Kachitvichyanukul
Asian Institute of Technology, Thailand
Dr. Zhihong Jin
Dalian University of Technology, China
Dr. Xiangpei Hu
Northeast University
Dr. Youfeng Tang
University Malaysia Pahang
Dr. Zahari Taha
Asian Institute of Technology, Thailand

Organizing Committee Chair:
Dr. ChengJi Liang
Shanghai Maritime University, China

Organizing Committee Co-Chairs:
Dr. Lin Lin
Dalian University of Technology, China
Dr. Azuma Okamoto
Iwate Prefecture University, Japan
Dr. Hyerim Bae
Pusan National University, Korea
Dr. Kanchana Sethanan
Khon Kaen University, Thailand

Program Committee Chair:
Dr. Jiafu Tang
Northeast University, China

Program Committee Co-Chairs:
Dr. Xiangpei Hu
Dalian University of Technology, China
Dr. Zhihong Jin
Dalian Maritime University, China
Dr. Gengui Zhou
Zhejiang University of Tech., China
Dr. Guolong Lin
Shanghai Maritime University, China
Dr. Jie Gao
Xi'an Jiaotong University, China

Aims and Scope:
The objective of the 9th International Conference on Intelligent Manufacturing and Logistics Systems (IML2013) is to provide a forum for the exchange of ideas on the latest developments in the field of intelligent manufacturing and logistics systems among researchers and the practitioners, and to seek opportunities for collaboration among the participants in various countries. IML2013 in conjunction with 2013 International Symposium on Semiconductor Manufacturing Intelligence (ISMI2013) will be held in Shanghai, an International metropolis of China.

Topics of Interests Included:
Advanced Planning System, Containers, Seaports & Railways, Artificial Neural Network
Advanced Process & Control, Fuzzy & Soft Computing, Meta-heuristics Methods
Manufacturing Strategy, Decision Analysis, Data Mining
Group Technology & FMS, Inventory Management, Green-heuristics Methods
Integrated Manufacturing System, Distribution & Global Logistics, MIS and DSS
Production Planning, Supply Chain Management, Reverse Logistics
Vehicle Routing & Scheduling, Facilities Layout Design, Warehouse Management
Service Science & Engineering, Health Care Management, Other related topics

Paper Submission:
Extended abstract including main ideas and contributions and/or full manuscript not exceeding 8 pages in single space A4 size paper should be submitted to Dr. Lin Lin (iml2013@evolsoft.org) before Jan. 6th, 2013, while camera ready manuscript should be submitted before Feb. 3rd, 2013. More details can be found in IML2013 web site: http://www.evolsoft.org/iml2013/.

Special Issue for Post-Conference Publication:
All submissions will be refereed. Accepted papers will be published in the conference proceedings. The high quality papers will be reviewed for publishing in International Journals of the SCI class as a post-conference publication. Last several IML Conferences had edited Special Issues such as International J. of Production Economics, Computers & Industrial Engineering, J. of Intelligent Manufacturing, etc.

Important Dates:
Abstract/Papers Submission Jan. 6th, 2013
Notification of Abstract/Paper Acceptance Jan. 20th, 2013
Submission of Camera Ready Paper Feb. 3rd, 2013
Registration of Authors (Early bird) Feb. 3rd-17th, 2013
Registration of Authors (Regular) Feb. 18th-Mar. 2nd, 2013
Conference Feb. 27th-Mar. 2nd, 2013

Registration Fee:
Regular registration: US$450 (Early bird) / US$500 (Regular)
Students: US$300 (Early bird) / US$350 (Regular)
The registration fee will cover all conference sessions, an electronic copy of the proceedings, refreshments, the conference banquet and social program.
